

My Review on Taco Bell

Taco Bell is kinda weird. It's a mexican restaurant, but isn't really a mexican restaurant. They tend to serve stuff that would be better defined as TexMex, since Taco Bell has a heavy reliance on cumin, traditionally a TexMex spice. As for my stance on Taco Bell, I give it a...

10/10!!!!

Taco Bell is very tasty and very cheap. It's my favorite place to go when I have less than 35 cents. I usually order the JAHCO.
